

**2016–2017**

**ANNUAL SCHOOL HEALTH FORMS**

**LOWER SCHOOL STUDENTS**

**Grades PreK-4**

A physical examination must be done 365 days before the first day of school.

Our school doctor, Dr. Agathis, requires that for admittance to school, the School Health Forms be completed prior to the first day. Health forms are to be returned to the Health Office by August 15.

The following forms must be filled out and returned to the Health Office:

1. Physical Health Form with Immunization Record
2. Emergency Contact Form
3. Medical Authorization

Each student must have these forms completed and returned by August 15. The student may or may not require a physical examination at this time, therefore please discuss with your physician. (Example: If a physical examination was done in November of 2015, please have the Health Forms completed by the physician and returned to school by August 15.)

**Please remember, Health Forms are required for entry into school on the first day.**
