

## Far Hills Country Day School

### Dress Code 2019–20

*Revised August 2019*

Far Hills is a community based on our five Pillars, the values of respect, responsibility, honesty, leadership, and kindness. Our rules, including our dress code, emanate from and reinforce our Pillars. Our dress code exists for the following reasons:

- To provide students with a sense of self-discipline and respect;
- To teach students how to dress appropriately and responsibly for different occasions (e.g., for the class day, for visitors, for special events); and
- To reinforce our sense of community and instill school pride.

The key to any successful dress code is willing subscription, so families should familiarize themselves with the dress code, purchase necessary items, and then commit to it. The faculty are responsible for enforcing the dress code (without becoming dress code police) and following through when students are out of dress code with these consequences:

#### Upper School

- First violation: Warning
- Second violation: Change of clothes, a call to parents
- Further violations: Honor Code infraction

#### Lower School

- First violation: Warning
- Second violation: A call to parents; potential change of clothes
- Third violation: Change of clothes, parent meeting
- Further violations: Potential disciplinary action

Our recommended dress code provider, Lands' End, is an affordable, appropriate, and high quality vendor. Approved dress code clothing can be found under the Far Hills uniform section of the [Lands' End website](#). Some additional dress code items are also available in our school store, The Falcon's Find including PE uniforms and approved spirit wear. We are not in the habit of checking labels; we simply want students to follow the dress code guidelines. If you purchase clothing from another vendor or store, then your child runs the risk of non-compliance. Faculty are the final arbiters of what is or is not dress code.

## Girls' Dress Code 2019–20 Kindergarten–Grade 8

### Additional Notes

- **Warm Weather Dress Code** is when girls and boys may wear shorts. Shorts may be worn from the first day of school until the last Friday in October and from the first Monday in May until the last day of the school year.
- **Casual days** are planned to give the school community the option to dress more casually. Several casual days may be announced in the course of a school year. On these days, students may wear clothing of their choice, as long as their selections are not ripped or torn, do not contain any offensive logos, and are within the spirit of appropriateness and good taste. Tank tops, midriff tops, hats, and platforms, heels or other unsafe shoes are not permitted.
- **PE Uniforms required for Grades 4–8** are available through Lands' End or The Falcon's Find.
- **Outerwear** may not be worn during the school day unless it is a Far Hills logo fleece.
- **Skirt lengths** will differ significantly per child and it is therefore important for parents to ensure they choose a skirt style and length that is modest and appropriate.
- **Undergarments** must not be visible at any time.
- **Holiday Concert dress**—see website.
