## **Far Hills to Host Annual Secondary School Fair**

**Far Hills, NJ**—Far Hills will host its annual Secondary School Fair on Tuesday, September 19, 2017, at 3:30 p.m. This event is free and open to the public and is the largest secondary school fair on the east coast. Nearly 120 secondary schools will be in attendance, representing the finest day and boarding schools in the country. Prospective students and their parents can visit booths for each school and speak one-on-one with admission representatives at their schools of interest.

Far Hills students will meet with Admissions Officers during the school day from 1:15 to 2:30 p.m. Parents of Far Hills students are welcome to join their student for a panel discussion by admissions representatives from both day and boarding schools who will provide tips to navigate the admissions process and answer frequently asked questions from 2:30 to 3:30 p.m.

Far Hills Director of Secondary School Counseling, Ed Thompson, encourages prospective independent school families from New Jersey to attend this valuable event: “The Far Hills Secondary School Fair is an invaluable opportunity for students and their parents to have one-on-one conversations with Admissions Officers from many of the nation’s finest independent day and boarding schools. The insight from this direct connection is very helpful to families navigating the admissions process and identifying the institutions that offer the best fit for their child. We are pleased to offer this service to all area students who are considering an independent high school experience.”
