Far Hills Country Day School Announces Smart Fun Camps

Far Hills, NJ – Far Hills Country Day School (Far Hills) is pleased to announce the launch of Smart Fun Camps @ Far Hills (Smart Fun Camps), a new summer program for students entering grades PreK-9. Smart Fun Camps will feature one- and two-week sessions highlighting STEAM subjects: science, technology, engineering, arts, and math. Parents are provided with half- and full-day options throughout the months of June, July, and August, allowing families to easily customize their child's camp time with family summer plans. As an added perk, lunch will be provided for full-day campers.

In addition to Smart Fun Camps, Far Hills is proud to partner with FUNDamentals Sports Camps to offer campers quality athletic options. FUNDamentals provides both sports and character education including training in sports skills and concepts, confidence, sportsmanship, and life skills.

Director of Auxiliary Programs, Brian Junger, encourages everyone to explore Smart Fun Camps' mission and the many offerings. "Smart Fun Camps are an extension of our mission to teach academics and life skills through innovative, project-based activities," said Junger. "We have something for everyone: from robotics to theater, art to sports, and earth science to teen travel, campers will love learning in this laid back summer environment."

Registration is now open. Sessions begin the week of June 20, 2016. More information can be found at www.fhcds.org/summercamp. Parents are encouraged to register their child early, as sessions are filling quickly. For questions, please contact Brian Junger at bjunger@fhcds.org or (908) 766-0622.
