Sample Script:

Hi Mrs. Ridder! I'm having a great time at camp! I just finished reading the best book, *The Lemonade War* by Jacqueline Davies. The book is about a brother and sister who set up competing lemonade-stand businesses over the summer. My favorite part of the book is when Jessie and Evan earn back the money they lose by winning a contest. I liked this part because they came up with a really creative solution using teamwork. I hope you're having a great summer too, and I'll see you in September!
